WE MOVE FLUIDS

PARTNERING MAJOR PRIMES/OEMs
FOR **AVIATION**, **SPACE** AND **DEFENSE**

APR Pictures

Our values

Innovation with “GRACE”

AUTHENTICITY

Acting in line with values and principles;
building credibility.

CARE

Attention to people, the environment and the
community, fully embracing ESG principles.

RESPECT

Focus on procedures and responsibility towards
customers, colleagues and suppliers.

EXCELLENCE

Continuous improvement, quality and
measurable performance.

GRIT

Determination in achieving goals, meeting
commitments and delivering results.

How we work

APR designs, because we have always manufactured.

MAKE – blueprint
manufacturing

CONCURRENCE –
sharing the know-how

DESIGN – leverage
